ABOUT ME

Business Information Systems graduate, specializing in Enterprise Information Systems, at Institut Sains & Teknologi Terpadu Surabaya (iSTTS). Passionate about pitching creative ideas, eager to learn new skills, and highly collaborative in team environments. Aspiring to build a career at the intersection of technology and the creative industry.

WORKING EXPERIENCE

Internship – Full Stack Developer at PT. Multirasa Nusantara (Yoshinoya)
August 2025 – August 2026

- Developed an internal promotion portal with division-based access controls.
- Architected custom database structures for the internal web platform.
- Integrated the new system with existing corporate infrastructure.
- Presented technical demonstrations of application features to end-users.
- Assisted with store opening and closing operations in Surabaya.

Internship – Full Stack Developer at Fenix Event Organizer
January 2026 – July 2026

- Analyse business needs to define technical requirements.
- Developed a Laravel-based vendor management and digital RSVP system.
- Architected custom database structures for event operations.
- Developed full-stack web architectures with API integrations.

Assistant – Senior Digital Marketing at iSTTS
May 2023 – June 2025

- Managed end-to-end digital content production and compelling copywriting.
- Analysed performance metrics to optimize overall digital marketing strategies.
- Coordinated content publication data across all study programs.
- Conducted direct promotional presentations at various high schools.

Freelance – Core Team at Exquisite Organizer
May 2025 - Present

- Directed morning event operations as Groom In-Charge and managed Front of House duties for evening sessions.
- Worked efficiently within assigned roles while proactively backing up on-site crew as needed.
- Delivered rapid and effective problem-solving to resolve technical challenges in collaboration with clients and vendors.

Freelance – Core Team at Fenix Event Organizer
November 2022 – May 2026

- Executed core duties as Groom In-Charge for morning sessions and managed Front of House (FOH) operations for evening sessions.
- Adapted quickly to various on-site role rotations, including VIP family, runner, layout, and backstage management.
- Proactively coordinated with internal crew, vendors, and clients to ensure seamless event execution.

Contract – Public Relation at Google Developer Student Club
September 2023 – September 2024

- Managed communications and outreach to secure keynote speakers.
- Led end-to-end sponsorship pitching and funding negotiations.
